

## **Stephanie Reyes**

My name is Stephanie K. Reyes Vargas and I'm an 11th student at EMCT( Escuela Especializada en Matemáticas, Ciencias y Tecnología del Municipio Autónomo de San Juan). I love and enjoy science subjects.

On February 21, 2018, I participated on the Metropolitan Science Fair on Environmental Sciences category with my project title as " La abundancia y distribución espacial de la ostra *Crassostrea rhiphorae* en el Estuario de la Bahía de San Juan". I won 1st place on my category, best photographs and better protect assembly. Nevertheless, I got 3rd place on the category on Environmental and Engineering science. I also got The office Naval Research Naval Science Award recognized by the United States Navy and Marine Corps for honorable Mention. For my future studies and career, I would like to study Medicine and specialize myself as Cardiologist.
