

Kristina Hakobyan

Kristina Hakobyan has been working on domain registration since 2010. Her first project as the Director was the domainshop.am (ds.am), which became reg.am after the rebranding a few years later. After the change of founders Kristina Hakobyan became a part of another Registrar company – Global AM LLC (globalr.com). Besides these activities, she also carries out public activities, participating in many local, regional and international events.

- 2015, TLDCON
- 2016, TLDCON, ARMIGF
- 2017, ENOG14, RIPE NCC IPv6 Hackathon
- 2018, Internet Fundamentals and Data Analytics RIPE NCC Workshop, NASIG2018, ICANN61, SEEDIG2018, EuroDIG2018, Regithon2018, DigiTech Business Forum, TLDCON, RIPE NCC Regional Meeting, CENTR Registrar Day, ICANN63, Global IGF, NORDIC Domain Days, EE DNS forum
- 2019, CES2019, ICANN64, ICANN65

Participation in such events establishes relations with the best specialists, opportunity for exchanging experience and gaining knowledge to use for the development and improvement of the Internet in Armenia.
